EDUCATION

B.E (Bachelors in Mechanical Engineering)
Mufakkham Jah College Of Engineering & Technology

06/2018 - 06/2022

Hyderabad, India

Intermediate

Sri Chaitanya Junior College

05/2016 - 05/2018

Hyderabad, India

PERSONAL PROJECTS

URL shortening API landing page (10/2020 - 02/2021)

- This project helps me in understanding API Integration and how to use it to retrieve back the data. This project is a source to learn how to use API and JS libraries like react.js and next.js

Job listings with filtering (02/2022 - 04/2022)

- This front-end project is the best example to understand the DOM concept, which is quite important to develop client-side applications. This project also requires the same basic front-end skills i.e. HTML, CSS, and JavaScript.

VOLUNTEER EXPERIENCE

Front-end Developer
Freelancer

10/2020 - Present

Hyderabad, India

Achievements/Tasks

- Develop a responsive portfolio/static and blog website.
- Hands on experience in HTML, CSS & JavaScript.
